RE: Articulated Credit for CCS Certification

I have examined the credentials of [student, insert name] and have determined that the student holds a current certification as a certified coding specialist. The following courses and credits have been earned through the college's internal articulation agreement:

CTP 103 - Theories and Applications of Digital Technology OR	
CTA 100- Computing and Information Technology	4 credit hours
MDA 112 - Pharmacology for Health Professions	3 credit hours
MDA 113 - Medical Terminology	3 credit hours
MDA 114 - Diseases of the Human Body	3 credit hours
HIT 217 - Introduction to ICD-9-CM and ICD-10-CM Coding	3 credits hours
HIT 218 - Introduction to CPT/HCPCS and ICD-10-PCS Coding	3 credit hours
HIT 221 - Advanced Coding	3 credit hours
HIT 275 - Medical Coding Practicum	2 credit hours

The student is aware that these 24 credits will posted to the transcript as articulated credits and carry no grade.

Anne Arundel Community College

Memorandum of Agreement

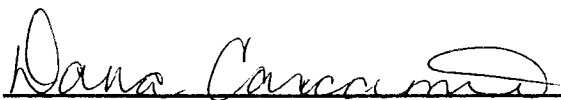

For awarding Prior Learning Assessment Credit by Industry Certification/Licensure

Certified Coding Specialist (CCS) granted by American Health Information Management Association (AHIMA)

An Anne Arundel Community College student who holds a current Certified Coding Specialist (CCS) offered through American Health Information Management Association (AHIMA) and is pursuing an associate of applied science in Health Information Technology will receive the following AACC courses and credits. No grade will be assigned for these credits and the credits will be noted on the transcript as awarded by virtue of industry certification/licensure.

Course Name	Credits
CTP 103 - Theories and Applications of Digital Technology OR	
CTA 100-Computing and Information Technology	3 credit hours
MDA 112 - Pharmacology for Health Professions	3 credit hours
MDA 113 - Medical Terminology	3 credit hours
MDA 114 - Diseases of the Human Body	3 credit hours
HIT 217 - Introduction to ICD-9-CM and ICD-10-CM Coding	3 credits
HIT 218 - Introduction to CPT/HCPCS and ICD-10-PCS Coding	3 credit hours
HIT 221 - Advanced Coding	3 credit hours
HIT 275 - Medical Coding Practicum	2 credit hours
